EDUCATION

Qualification	Institute
B.Tech in CSE	Indian Institute of Information Technology Vadodara
Grade 12	Saraswati Vidhya Mandir(CBSE Board)
Grade 10	Saraswati Vidhya Mandir(CBSE Board)

Qualification	Percentage%	Year
B.Tech	Not graded yet	2025(exp)
Grade 12	80%	2020
Grade 10	88%	2018

SKILLS

Android: Flutter
Databases: MySQL
Tools: Android Studio, VS Code, My SQL Workbench, Git, Canva
Languages: Dart, Java, C, C++ , HTML , SQL

COURSES

Data Structure
Design and Analysis of Algorithms
Object Oriented Design and Programming
Computer Organization and Architecture
Digital Logic Design
Database Management System
Operating System
System Software

PROJECTS

Link - <https://github.com/Neha0221/Calculator> ↗

- **Calculator App:** (FLUTTER / Dart Language)
A Basic Calculator performs an Arithmetic operation by using **flutter** and basic **coding skills** which can perform **addition**, **Multiplication subtraction**, and **division**.

Link - https://github.com/Neha0221/Digital_ID_card ↗

- **Digital_ID_Card for Student:** (FLUTTER / Dart Language)
Digital ID_CARD for students, It contains necessary detail of students such as **student name**, **student ID**, **E-mail ID**, **Institute name**, and branch by using **Dart language** and add **Image assets** on a Profile Picture.

CERTIFICATION

HackerRank_Certificate_Link ↗
Received certificate for SQL database from HackerRank.

ACHIEVEMENT

LeetCode ↗
• Done **200+** problems at **LeetCode** of **Data Structure and Algorithm**.
